

# Checkendon Church of England (A) Primary School Respect

Integrity Courage

Compassion

Hope

September 2021 number 2

Email: office.3801@Checkendon.oxon.sch.uk

### Headteacher message

Thank you to everyone who completed the Survey Monkey about communication methods. If you have any more thoughts, please don't hesitate to tell me. I will be asking for your comments and views on our school uniform in the next few days - please complete the questionnaire or get in touch to share your thoughts.

As a Church of England School, we celebrate our own school values: respect, courage, integrity, compassion and hope. This half term we are learning about

kindness. During Collective Worship we talk about ways we can all demonstrate this in our everyday lives. Stay safe, Sarah Hillier Headteacher

Plea for guttering, pipes and drain connectors - if you have any spare please can we have them for our Owlets and to make а crazy golf course!

## **News from CHIPP**

CHIPP are delighted to be hosting our Family Fireworks Spectacular on Friday 5th November from 6pm. There will be a BBQ, bar and aames room to entertain the children, as well as a fabulous fireworks display. We hope you will come to share this

chippcommittee@gmail.com Can you solve this puzzle?

fun evening! Any offers of help gratefully appreciated to

Using the numbers 10, 3, 10, 2, 75 and 25 make 756

### **Owlet Class news**

An exciting day – Owlets have received their house colours and are proudly recording their first house points on the board.

Details on our Open Mornings to follow ... if you know someone with young children let us know.

## Healthy snacks

We would like to draw your attention to the children's breaktime snacks and highlight the importance of choosing healthy snacks to fulfil a child's energy requirements.

It is important for children to meet their energy demands for the day. To do this, some children will need a snack between meals, and this is a positive opportunity to encourage healthier choices. Our aim is to support our children to grow healthily, safely and responsibly. As part of this we would like to clarify the rules around breaktime snacks:

Children need to bring a water bottle of water (that can be refilled during the day)

Children can bring chopped fruit and vegetables, for example, apple, pear, banana, orange, carrot, peppers or cucumber (these

are prefect because they don't create packaging waster) or muesli, fruit and cereal bars.

Please be reminded that because of allergies we are nut and seed free school.

## Panda Class news

Thomas is very proud that he has got a blue Peter blue badge! He drew a beautiful picture and sent it in to BP fan club and this arrived last night.
