Headteacher message

I have to say thank you to so many people this week ... (firework newsletter to follow!)

Firstly, the children have come back to school looking so smart in their uniforms, thank you for supporting this change.

We had our first Open Morning on Friday, I am very excited to showcase our

wonderful school, so if you know anyone else who might be interested, please tell them to get in touch. It is the children who make this school the special place that it is, so I have to say a big thank you to the children who helped with the tours.

Also, huge thanks to Mrs Thomas and her DIY skills in the holidays to provide a dry cover for the reception children. Reception area is looking bright, colourful and welcoming – thank you.

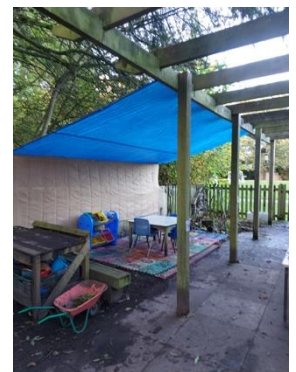

Last, but not least, a huge thank you to Mr and Mrs Bender who tidied up the leaves and generally gave the front of school a spruce up.

Please remember to wrap up warm on these cold days, everyone needs a coat.

Have a lovely week, stay safe,

Sarah Hillier, Headteacher

Owlet Class couldn't resist exploring the frosty field first thing this morning! Very chilly but beautiful!

Rhino Class have started a new guided reading book alongside their project of World War Two

Owl Class have been outside collecting natural resources to make art inspired by the book 'Leaf Man'

Panda Class have been learning how to blog using 2Blog in Purple Mash and stay safe online.

Snack ideas

Some parents have asked for suggestions for healthy snack options. We are mindful that the children will have their lunch shortly after playtime, so a fruit or vegetable snack is best:
